5. Green Party staff are assigned goals, work plans, guidelines and priorities by their line managers as part of the annual planning and review system, but are expected to show initiative within this framework in managing their workload to meet the overall goals of the party in line with the organisational plan.

Broad headings may therefore have been used, in which case all the usual associated routines and duties are naturally included in the job description. Green Party staff are expected to undertake any other reasonable tasks as requested by the Executive via their Head of Department, CEO or relevant GPEx Co-ordinator.
